CAUSE NO. 37418-GCA 85

**BY THE COMMISSION:**

**Lorraine Hitz-Bradley, Administrative Law Judge**

On February 9, 2005, Indiana Natural Gas Corporation ("Petitioner") filed its petition in this Cause for a gas cost adjustment for the months of May, June, and July 2005. The evidentiary hearing is scheduled for March 29, 2005. After reviewing the petition, the presiding officer now finds that Petitioner should answer the following data requests by the date of hearing:

- In a response to a bench question in GCA 83 regarding earnings, Petitioner stated that the Company had not made any notable changes in how they are doing business but they would have their accountants analyze possible reasons for under-earnings. Has Petitioner's accountant(s) analyzed this matter? If so, what are the findings?
- In regard to the buy order with Atmos Energy for fixed price gas purchased for the October 2005 to April 2006 period, is the price paid \$6.65/Dth? {Prefiled testimony of Phillip S. Ross, page 6}
- Has the marketer offered and/or made any arrangements for deferred billing of purchases?

**IT IS SO ORDERED.**
